HOW TO REGISTER TO YOUR BROADBAND PORTAL

Log on to www.slt.lk
and click “Internet”
under “Personal” tab

2

Click here

The screenshot shows the Sri Lanka Telecom website's 'Personal' section for Broadband. The navigation bar includes links for Training Centre, Museum, Careers, About Us, Contact Us, and English. The main menu has Telephone, Internet, PeoTV, International, Loyalty, Promotions & Offers, and Apply Online. The left sidebar lists Broadband, Smartline (FTTx), and Dial-up. The main content area features a 'Broadband' heading, a hero image of children playing in water, and a text block about internet usage. Below this is a row of five service tiles: 'Purchase additional volume online', 'Change your portal settings', 'Check your Broadband usage', 'Change your Broadband password', and 'Test your connection speed'. A red arrow points to the 'Change your portal settings' tile.

HOW TO CHECK YOUR BROADBAND MONTHLY USAGE

Log on to www.slt.lk
and click “Internet”
under “Personal” tab

2

Click here

The screenshot shows the Sri Lanka Telecom website interface. At the top, there is a navigation bar with links for Training Centre, Museum, Careers, About Us, Contact Us, and English. Below this is a secondary navigation bar with Personal, Business, eTeleshop, and MySLT. A search bar is located on the right. The main content area is titled 'Personal' and 'Broadband'. A left-hand navigation menu lists options like Packages, Value Added Services, Coverage, and Dial-up Services. The main content area features a large banner image of children playing in the water. Below the banner, there is a paragraph of text about internet usage and broadband capacity. At the bottom, there are five service tiles: 'Additional online', 'Change your portal settings', 'Check your Broadband usage' (highlighted with a red arrow), 'Change your Broadband password', and 'Test your connection speed'.

The screenshot shows the Sri Lanka Telecom website interface. At the top, there is a navigation bar with links for Training Centre, Museum, Careers, About Us, Contact Us, and English. Below this is a secondary navigation bar with Personal, Business, eTeleshop, and MySLT. A search bar is also present. The main content area is titled 'Personal' and 'Broadband'. A left-hand sidebar menu lists various broadband services: Broadband, Smartline (FTTx), Wireless Broadband (4G/LTE), Wi-Fi, and Dial-up Services. Each service has sub-links for Packages, Value Added Services, Coverage, Performance, Support, and New Connection Charges. The main content area features a large banner image of children playing in a pool. Below the banner, there is a red arrow pointing to a section titled 'Extra GB' with a video player icon. Other sections include 'Change your portal settings', 'Change your Broadband password', and 'Test your connection speed'. The Sri Lanka Telecom logo and tagline 'One Country. One Voice.' are visible in the top right corner.
